

**Rockport Outdoor
Electric Fireplace**

The Rockport features a stacked stone-look finish, built-in, sealed planters and integrated speakers that bring any backyard to life!

**The clear advantages
of Dimplex outdoor
electric fireplaces**

Realistic flame

Incredibly lifelike, patented technology creates the look of a wood fire.

Instant ambiance

Add a charming focal point to your outdoor living area in just minutes with no complicated or costly installation.

**Safe, clean
electric operation**

Operates without heat – safe for any location or surface.

Fully weatherproof

Sealed construction allows year-round enjoyment.

Economical

Enjoy the flame effect for pennies/day.*

Place anywhere

20' electrical cord** allows fireplace to be located almost anywhere.

* Based on average national residential rates. Electricity rates vary.
** Not available on the Ventura Outdoor Radiant Heater.

**Spectra Outdoor
Electric Stove**

Enjoy the fire while the CitroBlock™ system creates an invisible insect barrier to keep unwanted guests away.

**Ventura Outdoor
Radiant Heater**

Warms like the sun, heating the objects in front of it rather than the air – making the perfect "people" heater.
