

The Dimplex Collection

ELECTRIC FIREBOXES

Electric Fireplaces

Beauty, simplicity and safety: it's a combination that makes Dimplex® fireboxes a great choice for any space.

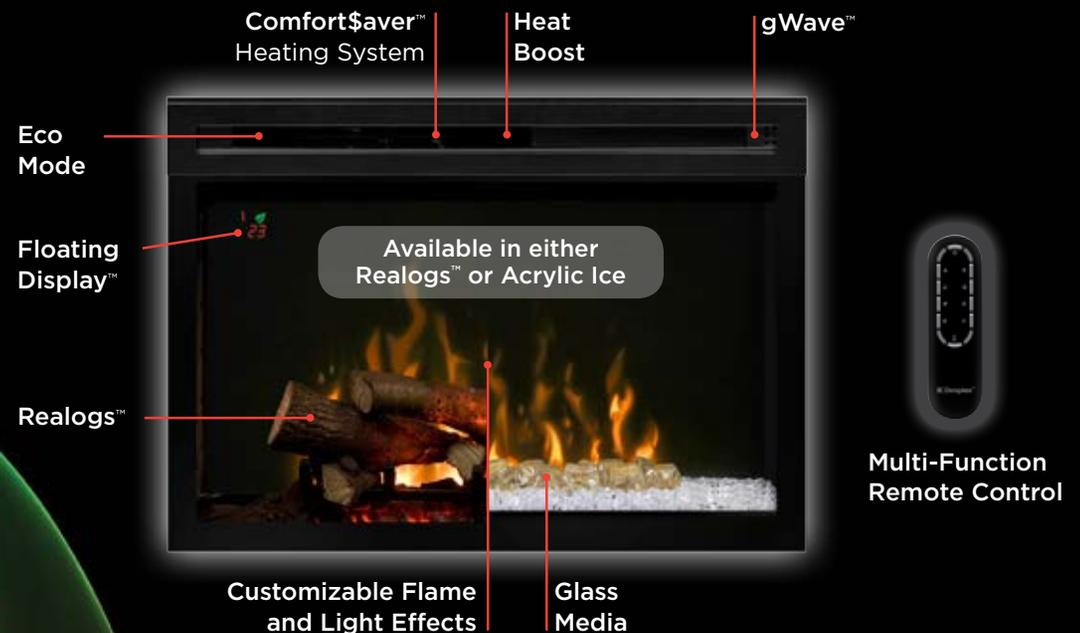

Refined through 15 years of innovation, the patented Dimplex flame effect is the most authentic in the industry. While looking every bit as good as masonry fireplaces, Dimplex electric fireboxes provide unmatched flexibility and ease of installation as venting or gas lines are not required.

- A smart, practical and efficient zone heating solution, designed to warm up to 1000 square feet.
- Choose from our wide selection of easy-to-install plug-in and direct-wired fireboxes.
- Can be installed in virtually any location.
- Several design options to choose from including cabinet surrounds, door and trim kits.

MultiFire XD™

The best of gas, wood and electric – in one remarkable fireplace.

If change is good then the all new Multi-Fire XD™ by Dimplex offers something truly incredible. This dazzling next generation firebox can accurately reproduce a natural wood-burning fire, gas fireplace or a range of ambient light themes that range from moody and hypnotic, to pulsing and vibrant. Combined with a high-efficiency heating system and intuitive multi-function control options, this new design is the perfect look and feel for any space.

Natural Gas / Blue Red Green Purple ...and more.

Customizable Flame Effect

Choose **wood** or **gas** flames, plus **color** effects

ComfortSaver™ Heating System

Safe ceramic heat, plus 11% energy savings, **warms up to 1,000 sq. ft.**

gWave™

Brings the fireplace to life with a wave of a hand

Floating Display™

LED display shows temperature setting, themes and functions

Realogs™

The look of a stacked hardwood fire paired with LED inner-glow technology

Eco Mode

Reduces energy use by 33%; limits heat to 750W

Heat Boost

Delivers timed maximum heat output

Note: Multi-Fire XD plug-in fireboxes are not designed to be built-in/direct wired.

BLF Series

Dimplex linear electric fireplaces offer an innovative way to add ambiance to just about any space.

These sleek, space-saving designs solve any installation limitations as they do not take up any valuable floor space. They can be installed almost anywhere – simply plug into a standard household outlet and enjoy the warmth and romance of a fire.

- An ideal way to create a compelling feature in any room.
- A smart, practical and efficient zone heating solution, designed to warm up to 400 square feet.
- Built with exceptional attention to detail to ensure reliability and durability.

Plug-in Firebox Features

Flame

A blend of technology, artistry and craftsmanship – the patented Dimplex flame technology creates the illusion of a true fire.

Supplemental Heat

Includes a powerful fan-forced heater designed to keep the rooms you spend the most time in warm and comfortable.

Year-round Enjoyment

Enjoy the ambiance of the flame with or without heat for year-round enjoyment.

Safe

Front glass stays cool, making it safe to touch.

Economical

Economical to operate. Costing only pennies per hour.*

Green

The green alternative. No harmful particulates or emissions and 100% efficient. Produces 90% less carbon dioxide than an average direct vent gas fireplace.

Remote

Includes a convenient remote control for ease of use at your fingertips.

Quick Assembly

Sets up in minutes with step-by-step assembly instructions.

Instant Ambiance

Plugs into any standard household outlet.
